Dedication:

Wow! Album #4! It took us a while but I think you will find that it was worth the wait. We named this one "Full Circle", a reflection of our belief that the best things in life should be shared and passed down from one generation to the next. For us, one of the best things to share is music. Every weekend we share our love of music with you, our fans and with fellow musicians who come to our shows (we love to jam). So in the spirit of "Full Circle" I hope you enjoy this new CD which has past members, old friends and new, veteran performers and up and coming young talented musicians who share our love of music and the spirit of sharing. We also dedicate the last song to a former member whom we still miss, Vince Marchese, ... it was one of his favorites. - Kevin M. Winters
