Well here is our fifth CD! This was truly a labor of love. This CD is dedicated to our good friend Dean Goble, or, "the 5th Beatle" as Mike calls him. Dean records and produces all of our CD's as well as adding guitar, mandolin, fiddle and vocals. He brings out the best in us as well as in the guest musicians he brings in to dress up the songs. I believe that if you enjoyed any of our past work, you will love what you hear on this CD. These are all original band tunes except for "God's Angel Now", which we were co-writers. Thanks to Mark, Bob, Ken, Jake, Sue, and Dean for making this our best yet! And thanks to you, our fans, for your support. All I can say is, Great job Dean!
